

# Does Your Oil Measure Up

## Make sure your getting CJ-4 Diesel Engine Oil with **Wear Saver Technology**

CJ-4 Diesel Engine oils handle soot better, has greater bearing protection, reduces oil consumption, reduces piston deposits and is more emissions friendly then the previous CI-4 and CI-4+ oils.

**Cenex Superlube TMS 15w40** and **Maxtron DEO 15w40** Diesel Engine oils have been **reformulated** to meet and exceed the **CJ-4 specifications**.

## **Wear Saver Technology™**

- A uniquely blended Cenex oil that contains only the highest performance additives, base oils, and V.I. improvers
- In combination, these components provide a synergy resulting in the ultimate protection against:
  - mechanical wear (friction)
  - abrasive wear(soot and deposits)
  - corrosive wear (acids) on critical equipment parts.
- Components of Wear Saver Technology to Create Synergy
  - Base Oil
  - Additive Package
  - V.I. Improver
